Head Boy-Girl Urge Strong School Spirit

"Good leadership needs strong school spirit" was the motto of our Head Boy and Girl, Bennie Romero and Yuri Terada, this past year.

Yuri attended the National Student Council Convention which was held during the summer in San Gabriel, California. Thirty-eight states were represented at the convention. The agenda consisted of discussion groups and guest speakers from different parts of the country.

Bennie was a boy stater and had the opportunity to learn important procedures necessary for conducting Student Council meetings.

Seven Chosen as Staters

West's Parent-Teacher Association had the final decision, after personal interviews with the finalists, to determine the students who would be this year's staters. Student names were suggested by the West High faculty. The applicants wishing to participate filled out forms of their qualifications, hobbies and activities. From the application forms submitted, the P.T.A. chose the seven staters for this year.

Girl staters went to Colorado Woman's College, boy staters went to Colorado University. Leadership was the main point stressed to the staters.

Student Council Creates New Activities and Ideas

Maintaining high standards was only one of the goals that West's Student Council set up this past year. Student Council is good training for a democratic society and encourages cooperation between teachers and students.

One of the many interesting and useful projects they participated in was Funspiration, a new type of dance, with games and dancing combined. All the proceeds from this dance went to charity organizations.

During the summer, one of the activities attended by members of West's Student Council was Camp Cheley, the National Student Council Camp. Here the students learned leadership among many other things.

National Honor Has Top Students

To be a member of the National Honor Society, a student must be in the upper quarter of his class, and be well respected by both his teachers and his classmates.

This means to be attentive in class and cooperate with his teachers at all times.

Throughout the year, they participated in many activities for the benefit of both our school and our community.

Gene Huang, president, carries on the meeting, while Gloria Hiram, secretary, Donna Foster, vice president, and Darlene Haffner, treasurer, listen intently.

Spur Members Promote High Academic Standards

West's local honor club, Spur, under the sponsorship of Dr. Lois Gill, had one main interest in mind when selecting members: to select students with a keen interest in maintaining and emphasizing high scholastic standings among the entire student body.

All Juniors and Seniors with a "B" average for two consecutive semesters were eligible.

In the past, sponsors and members of Spur have gone Christmas caroling at local orphanages and hospitals, and have sponsored other events during the year. They also acted as hosts and hostesses at school-sponsored programs such as Back To School Night and participated in vacation programs.

Spur members enjoy refreshments after induction.

Black area is an important function of annual work.

Janice Russell and Darlene Haffner go over silverprints for Annual page as Jeff Muller does black area, in preparation for production of the Annual.

Judy Unzicker and Phyllis Cayo work on black area in preparation for the printing of the yearbook.

Bonnie Vincent and Angela Fleming alphabetize Student I. D.'s in preparation for the album section.

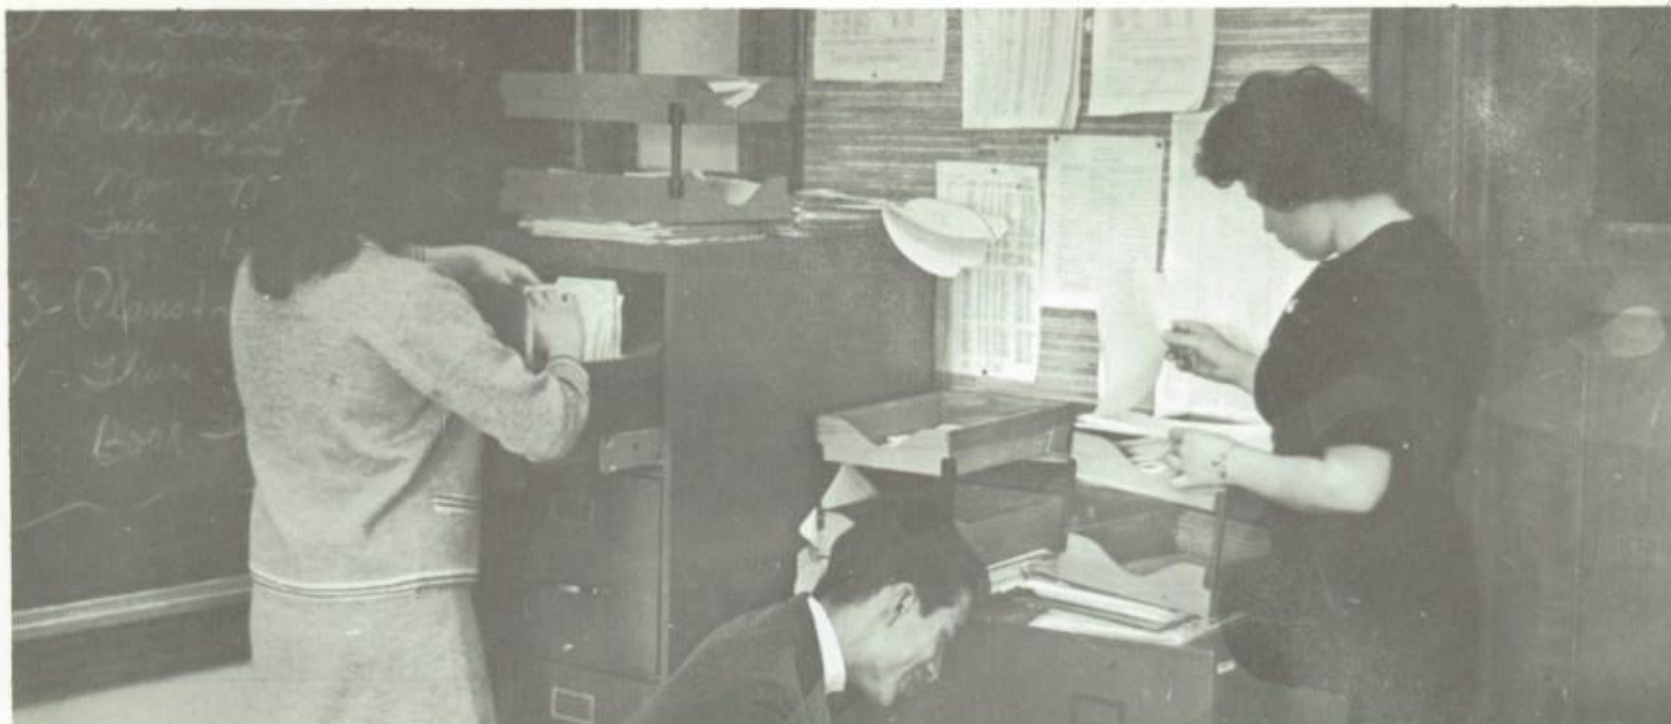

Westerner Staff Produces New Ideas

This year's Westerner Staff added many new items to the Annual. For instance, the Westerner's outstanding Mr. and Miss Westerner and the new page designs. The annual members worked diligently to get the various projects done by the set deadlines. Final copy and captions had to be proof-read and corrected by the date set to send it in to be printed for finals.

Pictures had to be finished so the silver prints could come back in time for printing. The sections were made into black area, and finally, all pictures, final captions, and pages had to be sent into the printer.

John Du Priest, editor, and Mrs. Gieseke, sponsor, discuss problems of the annual.

Rodeo members, Judy Cisneros, Benny Romero, and Joy Miracle are diligently looking for new ideas for the Rodeo.

West Students are Kept Informed of Activities

Striving to keep the students at West informed on all activities, while at the same time, producing a high-quality newspaper is the chief goal of the students on the Rodeo Staff.

Having been trained in the field of Journalism, these students have the skill and ability required for the Rodeo, while they are preparing themselves for a future occupation in the field of Journalism. These students are always busy interviewing teachers and students and collecting all the information that is to go into the future edition.

After all information is collected and everything is typed and checked for errors, it is printed and readied for distribution to anxious students.

Rita Lucero, Jerry Kent, Karen McIntyre, and Kathy Dwyer prepare for the next edition of the Rodeo.

Singing Christmas Tree Receives City-Wide Acclaim

This year's singing Christmas tree, directed by Mr. James Fluckey, received many letters of praise and appreciation from citizens of Denver and surrounding cities. The Tree added twinkling lights to enhance its lasting beauty of young voices and eager faces. The tradition of West's Singing Christmas Tree is looked forward to by faculty, alumni, students, and Denver citizens, for they know this is one of the city's greatest Christmas appearances.

Concert choir, the Christmas Tree's voice, visited other schools and sang with their choirs and assemblies for experience.

Music Groups Perform at Activities

This past year, students at West have heard the three music groups, the Concert Band, the Orchestra, and the Dance Band, perform at many events.

The band was always present at the football games to help promote school spirit and to cheer the team on to play good games. They also participated in some of the assemblies. Together, the Dance Band and Orchestra played at many social and school-sponsored activities, went to different schools for various programs.

Under the direction of Mr. George Layton, these groups have performed all types of music throughout the city.

Girls' Ensemble Performs At Different Functions

Music can be heard every day during eighth hour as members of Girls' Ensemble learn many new and different types of music. Under the direction of Mr. James Fluckey, these girls learn modern and classical music together with some old-time favorites.

This past year, the girls have performed at several assemblies and at the Spring Concert.

Well I thought we had it made when we got out of money but I guess we will be at the top of our high school next year. Well be good and have fun. Hope to see you next year. If you ever need anything just look me up.

A lottery ticket's loss is the reason a Count invites a ballet troupe to a garden party in "The Fortune Teller." The Count discovers that one of the female troupe members has the ticket so he plans to marry her in order to obtain it. The Count finds out that she loves another and goes through many sacrifices, substitutions, and a great deal of suspense for the obtainment of said ticket. A band of gypsies adds the finishing touches to make the play a success.

Mr. Musmanno and Cathy Rowden discuss costumes for the dancers.

The Thirteenth Chair

The Thirteenth Chair, the senior class play, was under the direction of Mr. Henry Musmano and Mr. Edwin Koepsel.

The play, a murder mystery, contained rich, well-bred noblemen, mediums, and the medium's pretty daughter who was accused of murdering the friend of her fiance's father. The play had a slightly ingenious overtone of a not too bright detective that came to investigate a second murder.

Rustlers Create Enthusiasm Throughout West

Under the sponsorship of Mrs. Joan Renner, the West High Rustlers take part in preparing for the Homecoming Dance, attend all athletic games, promote school spirit, and take part in many school activities.

This year, the Rustlers, with the "D" Club, were responsible for "Western Moonglow," the annual Homecoming Dance.

These girls also held a demonstration during half time at the Homecoming game. They formed wagon wheels to the body of a covered wagon, which was formed by the Band.

In order to be a Rustler, a girl must be a junior or senior, have a "C" average, and be in good physical health.

Marolyn Tynar and Jerry Kent, Homecoming King and Queen, walk down the field as Rustler's form an aisle.

All Work—No Play—for "D" Club Members

"D" Club is the boys' lettermen club at West. Each year, the senior members of the club issue invitations to new and qualified boys to join the club.

The boys earn their letter by getting points in various sports such as golf, tennis, swimming, wrestling, track, gymnastics, baseball, basketball, and football. After the boys have earned their letters, they are invited to join the "D" Club.

During the year, together with the Rustler's, they sponsored the annual Homecoming Dance among many other activities.

West Takes Pride In Cheerleaders

West's cheer leaders created school spirit and gave a big lift to our teams. They were present at all the sports and activities such as swimming, wrestling, gymnastics, track, golf, and tennis besides the regular football, basketball and baseball games. Together with the band, they gave pep assemblies, pep rallies, and snake dances in order to encourage school spirit and school pride.

Assembly Committee Participates In School Activities

Mr. Gordon Jacques, sponsor, and the Assembly Committee members helped back stage and at the doors of the auditorium during the many assemblies of the year. Their purpose was to hand out pep tags, brochures, and collect tickets at the P-T.A. movies, Singing Christmas Tree, Senior play, and at many other school activities.

These girls also ushered students, as well as teachers and parents, to their seats.

Bowling Club Improves Skills

The Bowling Club provided fun and recreation for the members, as well as helping to improve bowling skills and coordination. The group, in competition with one another, met at Bowl-Mor Lanes.

Their main goal was to learn the basic fundamentals and skills that are needed to be a good bowler. West's Bowling Club is designed to develop poise and skill, as members constantly strive to improve their form and bring up their averages.

Teachers and Students Enjoy Chess

This past year, the Chess Club, under the supervision of Mr. Delbert Peterson, helped its members to cultivate their minds by encouraging deep thinking over their chess games. The students found some stiff competition with the teachers that were interested in chess.

Throughout the year, the teachers and students participated in play-offs among themselves and, sometimes, with players from other schools.

Their main purpose was to learn the basic fundamentals and skills that it requires for a player to play a good game.

All forms of drama are studied, beginning with the work backstage and including acting, directing, and other jobs necessary for the production of a play.

Five minute speeches are required to become a member of Drama Club. Each applicant is judged by the members and drama teachers. Drama Club members have found that it isn't all work and no play. One of their favorite activities has been theater parties, either at a local theater or visiting another school's productions.

Qualifications Tough for National Thespians

This society is an organization of teachers and students designed for the improvement of dramatic arts in high school. There are two purposes in this society: 1. to establish and improve standards of excellence in all phases of dramatic arts, and 2. to create an active interest in dramatic arts among high school students.

As an honor society, in order to join, a student must have done something important or received recognition for the school in the way of dramatics. Also, the person applying for membership in the society must meet the qualifications of West's own branch of this national society.

Future Teachers Learn Traits of Being A Good Teacher

Under the guidance of Mrs. Sara Brown, students who are interested in the teaching profession are given the opportunity to join the Future Teachers of America.

Anxious students may work extra hours for teachers to earn points used toward eligibility into the club. During the school year, F.T.A. members go to various Denver grade schools to help teachers. While gaining the experience, a student may decide whether he or she wishes to be a primary or secondary school teacher.

Students watch and observe the teachers to get an idea and to see how the teacher handles things. Students also observe teachers to learn how they acquire the various characteristics of being a good teacher.

THE OPTIMIST CREED

Promise Yourself —

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Dennis Snell, Friz Kent, Mr. Lawrence Smith, Sponsor, Jerry Kent, Manuel Perez, and Clay Bartholomew, officers, present a \$50 check to Mr. Woody and Mr. Girtin toward the purchase of mouth guards for the football players.

Optimists Follow Creed— Promote Happiness

The Junior Optimists' main interest is doing good for others. It is one of the oldest service clubs at West.

They spread cheer to many people at Christmas time by helping with Christmas baskets.

This past year, they helped to purchase mouthpieces for our football players by selling West pennants. In the spring, they conducted the Bicycle Safety Campaign by going to elementary and junior high schools to stress the importance of safety on a bicycle. They held speech contests and donated money to various projects.

By following the Optimist's Creed, these boys made their lives, as well as others, worthwhile and happy.

Through individual research and group discussion, FBLA members obtained information on Denver business associations and requirements for jobs. To be eligible for membership, a student must take at least one business class.

Students Develop Understanding of Christ

This past year, Youth For Christ, under the supervision of Mrs. Amanda Lindsey, have tried to achieve one main goal, this goal being to help people to live in a happy, positive manner, to follow the teachings of Christ, and to apply them to everyday living.

Some of the activities sponsored by Y.F.C. this past year were: club meetings every Saturday night, and a senior party, to which all seniors attending were guests. They also sponsored several movies, had speakers, among them a psychiatrist and magician, and were very active on Color Day. The proceeds from Color Day went towards the purchase of youth magazines for the seniors.

Student Scientists Further Understanding of Scientific Methods

West's Science Club, under the direction of Mr. Basil Whiting, has one main purpose as its goal. It is designed to further the understanding of the many sciences in modern times.

These students are given opportunities to design, prepare, and present scientific projects. Through these projects, they show their understanding of the many sciences. Interest and enthusiasm, and at the same time, the want to progress in the field of science are just some of the many reasons for joining this club.

Pokes Finish Winless Season

Due to a small team and inexperienced players the Cowboys were at the bottom of this year's city standings. Size, weight, and injuries also hindered the Pokes in league play.

One of the highlights of the season was an eighty-five yard run for a West touchdown by Richard Salazar. He accomplished this after recovering a North fumble.

West failed to score more than six points in any individual game, with the exception of the Lincoln game when thirteen points were made.

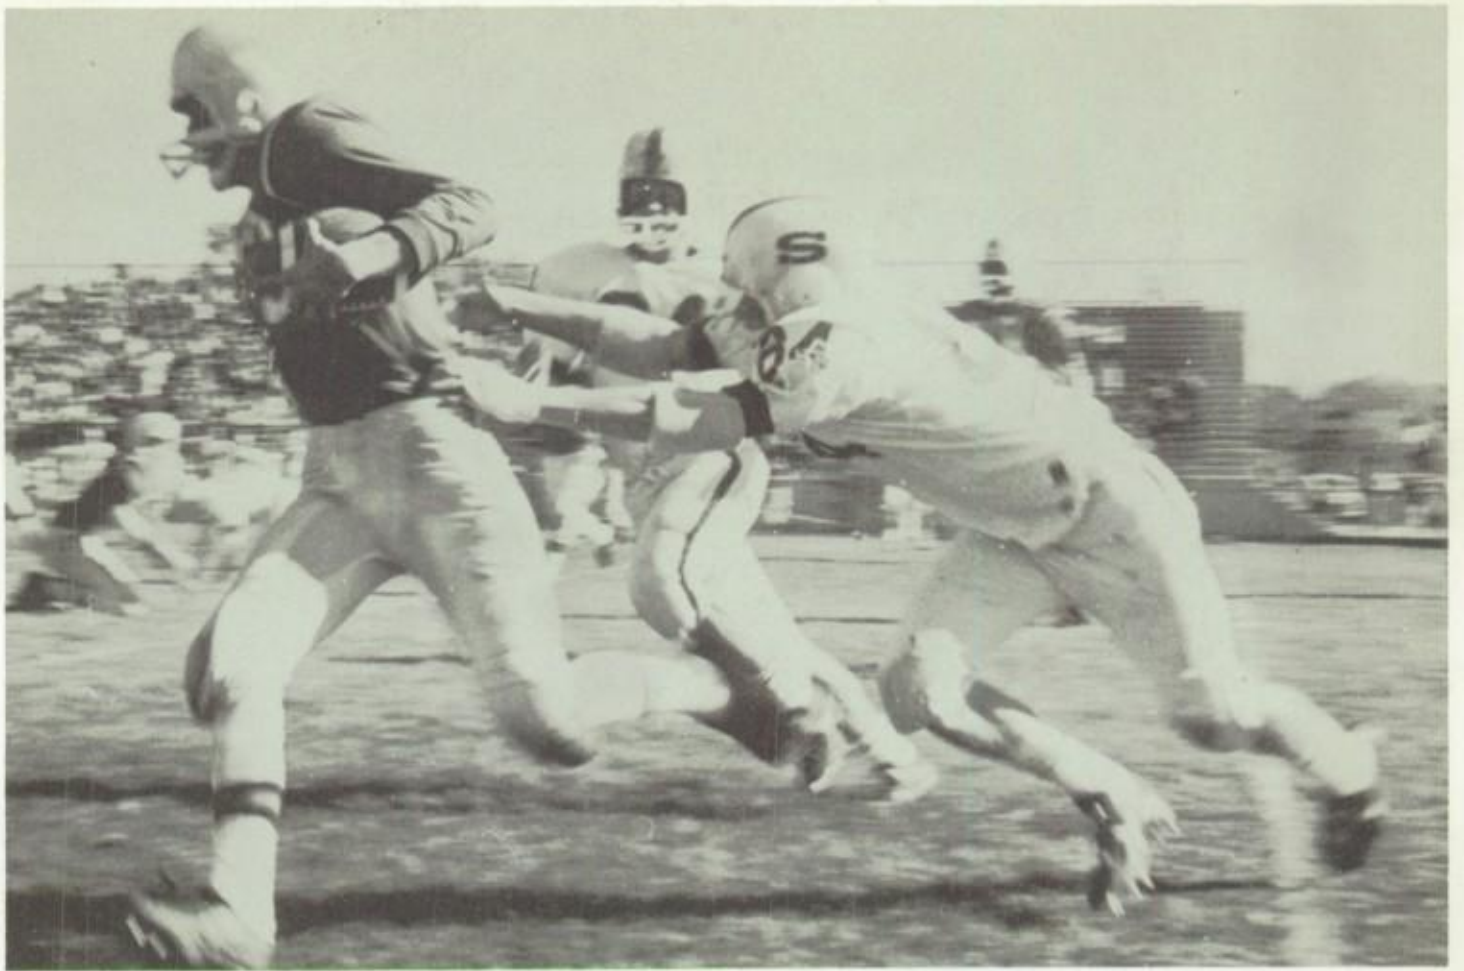

Jim Richards and Alvis Headen were co-captains of the football team. The coaches were very disappointed about the team's winless season, but they felt the boys had played their best all season long.

Language Students Increase Knowledge of Foreign Lands

West High's Language Department offers courses in Latin, Spanish, German, Russian, and French. As a result of these courses the student not only learns a new language, but he also increases his knowledge of the customs and ideas of the people from whom this language comes.

Most students usually continue for two years in the language of their choice because of the college emphasis on foreign language.

Students at West High have access to a language laboratory, which helps them to improve speaking and interpretation of the language.

Officers Learn While Instructing

R. O. T. C. officers are cadets who have proven their ability to lead. It is their responsibility to teach the new cadets the many aspects of military training. They themselves have worked hard learning the many traits of a good officer.

To the Class of '63:

This, our Senior year, has been a memorable one.

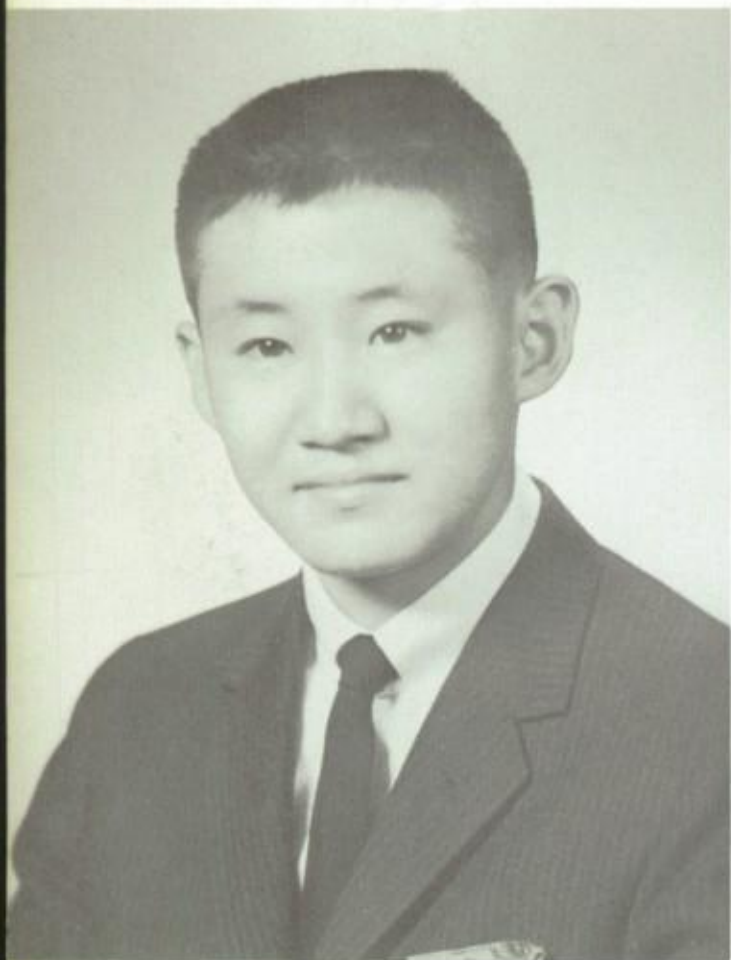

The senior activities which we have held have all been successes due to the cooperation of the whole class.

The seniors this year have been working together for common goals and in doing so have been welded into a unit--a unit which now must part as we go our separate ways.

I thank all of you for what you have done...for me and for your class.

To the Class of '64:

When we look back over the year, we can recall many memorable events. We had many successful projects. The Toy Drive, which came along about Christmas, was a huge success because of the contributions of the Junior Class.

Of course you remember the Junior Prom, which came in the latter part of March. Our prom was one of the most successful social events of the year.

Whether it was an all-school project or a class project the Junior Class always tried their best to aid in accomplishing their goals.

We have one year left at West and we will endeavor to do everything we can to make that one year the most successful yet.

It was an honor and a privilege to serve as your class president. I would like to see each junior here again next year. I would, also, like to see all of you cooperating with incoming class officers.

Sincerely yours,

To the Class of '65:

The Class of '65 has met with admirable success in all its projects. First, we started with the election of our class officers during the month of September. These officers and the elected representatives from each of their respective rooms met before school every first and third Tuesday of each month.

The Sophomores were saddened at the departure of John Carreon, Sophomore Class President; nonetheless, our class council continued to run as efficiently as before. We began our biggest project of the year, the Sophomore Party which was entitled, "Winter Fantasy." This dance was very successful.

Another significant task was that of selecting the class rings. The class officers carefully chose the rings for some 800 classmates.

It has been a pleasure working with our sponsor, Mr. Webb, in making this year a memorable one. I wish to extend a hearty thanks to the Class of '65 for its cooperation in making this year a success.

Respectfully yours,

An annual is a pictorial history of a school year, it is a picture book, it is a container of memories; but I think a yearbook should be more than this... it should be an idea, formed and pressed into something meaningful and of concern.

If this book is merely a blank recording of a school year — September 10, 1962, to June 6, 1963 — then as an editor, I have failed.

Life too, should be more than a container of memories; more than drinking and eating, breathing and copulating, more than being born, existing, decaying. Life is an experience, given to all, but the gift of living is reserved for only those willing to accept it.

Hi Syl,

Well here it is almost the end of our junior year. Everything in the past are unforgettable memories for me. Syl you a great gal with "true" and "super fine" qualities that are admirable. Don't ever change that sweet smile of yours and your silly but wonderful wisp. You have a heart that is full of warmth and kind feelings Syl. Many a day I felt as tho' I'd die if I didn't get the hurt out of me — you were always around when I needed you most and doll I could never thank you enough for the advice and kind words. You already know that you can count on me for anything cuz I'll always be more than glad to help you the best I can.

More than anything, I want all of your hopes and dreams to become realities. About Bob and for everything your wishing for. You deserve so much Syl and I hope that you get everything you deserve and may they be fulfilled to the top of success.

In our senior year I hope that we'll be in alot of classes together cuz we'll have loads of more fun and laughter and we can confide in each other with our problems.

May our friendship last through thick and thin and grow stronger as the years pass. "Friendship can't be bought, sold, or exchanged, but is worth the price of gold".

May God always be with you and Bob and may you both share the beautiful feelings of love to its eternal point. Have fun this summer kids and be good.

A friend Always,
